[Add CI test and coverage workflows by PriyanshiVishwakarma09 · Pull Request #77 · Deb...](https://github.com/DebbieAUG/github-skills-challenge/pull/77)

This screenshot shows a GitHub Pull Request (PR) #77 titled "Add CI test and coverage workflows" by user PriyanshiVishwakarma09. The PR is open and targets the main branch of the repository "github-skills-challenge" owned by DebbieAUG. The PR description states that it adds a GitHub Actions workflow to run the Python test suite on pull requests to main, a second workflow to generate coverage for the src directory and publish it to the PR, and a minimum coverage threshold check to enforce coverage quality. The PR has 1 commit, 0 checks, and 2 files changed. The right sidebar shows no reviews, no assignees, no labels, no projects, and no milestones. The bottom of the screen shows a Windows taskbar with the time 11:53 AM on 9/21/2026.

This screenshot shows the same GitHub Pull Request #77, but with a status update. The PR is now marked as "2 workflows awaiting approval" and "No conflicts with base branch". The PR description is updated to state that it adds CI validation for the Python project, including a test workflow that runs the full pytest suite on pull requests to main, a coverage workflow that measures code coverage and publishes the report to the PR, and a minimum coverage threshold of 90% to enforce quality gates. The right sidebar shows a notification to "Unsubscribe" and a participant list with 1 participant. The bottom of the screen shows a Windows taskbar with the time 11:53 AM on 9/21/2026.
